

**Fetterolf, Peter C.; Anandalingam, G.**

**Optimizing interconnections of local area networks: An approach using simulated annealing.**

(English) [Zbl 0775.90162](#)

ORSA J. Comput. 3, No. 4, 275-287 (1991).

**MSC:**

**90B18** Communication networks in operations research

**90C27** Combinatorial optimization

**90C90** Applications of mathematical programming

**68M10** Network design and communication in computer systems

**90-08** Computational methods for problems pertaining to operations research  
and mathematical programming

Cited in **5** Documents
