

**Korneyenko, N. M.**

**Combinatorial algorithms on a class of graphs.** (English) Zbl 0941.68589  
Discrete Appl. Math. 54, No. 2-3, 215-217 (1994).

**MSC:**

**68Q25** Analysis of algorithms and problem complexity  
**68R10** Graph theory (including graph drawing) in computer science  
**05C45** Eulerian and Hamiltonian graphs

Cited in **12** Documents

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
