

Hellwig, K.-E.

General scheme of measurement processes. (English) Zbl 0850.81015
Int. J. Theor. Phys. 34, No. 8, 1467-1479 (1995).

MSC:

81P15 Quantum measurement theory, state operations, state preparations

Cited in **3** Documents

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
