

**Kamien, Randall D.; Nelson, David R.**

**Directed polymer melts and quantum critical phenomena.** (English) Zbl 0943.82596  
*J. Stat. Phys.* 71, No. 1-2, 23-50 (1993).

**MSC:**

**82D60** Statistical mechanical studies of polymers

**82B26** Phase transitions (general) in equilibrium statistical mechanics

Cited in 1 Document

**Keywords:**

quantum critical phenomena; directed polymers; critical mixing; phase transitions

**Full Text:** [DOI](#)

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
