

Nelson, David R. (ed.); Piran, T. (ed.); Weinberg, S. (ed.)

Statistical mechanics of membranes and surfaces. Papers presented at the fifth Jerusalem winter school on the statistical mechanics of membranes and surfaces, December 28, 1987 to January 6, 1988, Jerusalem, Israel. 2nd ed. (English) [Zbl 1059.82002](#)

River Edge, NJ: World Scientific (ISBN 981-238-760-9/hbk; 981-238-772-2/pbk). xvi, 426 p. (2004).

The articles of this volume will be reviewed individually.

MSC:

- 82-06** Proceedings, conferences, collections, etc. pertaining to statistical mechanics
- 82B24** Interface problems; diffusion-limited aggregation arising in equilibrium statistical mechanics
- 00B25** Proceedings of conferences of miscellaneous specific interest

Cited in **32** Documents
