

**Wright, Perrin**

**Group presentations and formal deformations.** (English) Zbl 0318.57010

Trans. Am. Math. Soc. 208, 161-169 (1975).

For a scan of this review see the [web version](#).

**MSC:**

- 57Q10** Simple homotopy type, Whitehead torsion, Reidemeister-Franz torsion, etc.  
**20F05** Generators, relations, and presentations of groups

Cited in **1** Review  
Cited in **8** Documents

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
