

Cordes, H. O.

Self-adjointness of powers of elliptic operators on non-compact manifolds. (English)

Zbl 0235.47021

Math. Ann. 195, 257-272 (1972).

For a scan of this review see the [web version](#).

MSC:

47F05 General theory of partial differential operators (should also be assigned at least one other classification number in Section 47-XX)

Cited in **25** Documents

53C20 Global Riemannian geometry, including pinching
