

**Blandford, R. D.; McKee, C. F.**

**Fluid dynamics of relativistic blast waves.** (English) Zbl 0351.76134

Phys. Fluids 19, 1130-1138 (1976).

For a scan of this review see the [web version](#).

**MSC:**

**76Y05** Quantum hydrodynamics and relativistic hydrodynamics

**76L05** Shock waves and blast waves in fluid mechanics

Cited in **25** Documents

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
