

Kojima, Sadayoshi; Yamasaki, Masayuki

Some new invariants of links. (English) Zbl 0404.57004
Invent. Math. 54, 213-228 (1979).

For a scan of this review see the [web version](#).

MSC:

57M25 Knots and links in the 3-sphere (MSC2010)
57M30 Wild embeddings

Cited in **4** Reviews
Cited in **19** Documents

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
