

**Chao, Chong-Yun; Novacky, George A. jun.**

**On maximally saturated graphs.** (English) Zbl 0495.05023  
Discrete Math. 41, 139-143 (1982).

For a scan of this review see the [web version](#).

**MSC:**

**05C15** Coloring of graphs and hypergraphs

Cited in **12** Documents

**Keywords:**

[chromatically unique graph](#); [chromatic polynomial](#); [multipartite complete graph](#); [Turan graph](#)

**Full Text:** [DOI](#)

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
