

Cranston, M.; McConnell, T. R.

The lifetime of conditioned Brownian motion. (English) Zbl 0506.60071

Z. Wahrscheinlichkeitstheor. Verw. Geb. 65, 1-11 (1983).

For a scan of this review see the [web version](#).

MSC:

60J45 Probabilistic potential theory

60J65 Brownian motion

Cited in **5** Reviews
Cited in **34** Documents

Keywords:

conditioned Brownian motion; exit times; positive harmonic functions; Martin boundary

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
