

Adrian, Ronald J.

Conditional eddies in isotropic turbulence. (English) Zbl 0414.76038

Phys. Fluids 22, 2065-2070 (1979).

For a scan of this review see the [web version](#).

MSC:

76F05 Isotropic turbulence; homogeneous turbulence

Cited in 14 Documents

Keywords:

[conditional eddies](#); [isotropic turbulence](#)

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
