

Dariescu, Ciprian; Dariescu, Marina-Aura

Vacuum electromagnetic modes in Friedman-Robertson-Walker universe. (English)

Zbl 1080.83521

Int. J. Mod. Phys. A 18, No. 31, 5725-5732 (2003).

MSC:

83C50 Electromagnetic fields in general relativity and gravitational theory

83C22 Einstein-Maxwell equations

Cited in 1 Document

Keywords:

radiation dominated spatially-closed FRW universe; Maxwell equations in FRW universe

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
