

Horowitz, M.; Williamson, C. H. K.

Critical mass and a new periodic four-ring vortex wake mode for freely rising and falling spheres. (English) Zbl 1182.76328

Phys. Fluids 20, No. 10, Paper No. 101701, 4 p. (2008).

Editorial remark: No review copy delivered.

MSC:

76-XX Fluid mechanics

Cited in 6 Documents

Keywords:

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
