Contribution of electromagnetic field to atomic spin. (English) Zbl 1264.81334

Commun. Theor. Phys. 55, No. 6, 1041-1043 (2011).

MSC:

81V45 Atomic physics

81R25 Spinor and twistor methods applied to problems in quantum theory

81R05 Finite-dimensional groups and algebras motivated by physics and their representations

81V10 Electromagnetic interaction; quantum electrodynamics

Keywords:

[spin structure](#); [electromagnetic angular momentum](#)
