Miroshin, R. N.
Mathematical aspects of the theory of local interaction. (English. Russian original)

[71x733]Zbl 0653.76057

See the review in Zbl 0633.76080.

MSC:

76P05 Rarefied gas flows, Boltzmann equation in fluid mechanics
82B40 Kinetic theory of gases in equilibrium statistical mechanics

Keywords:
local interaction; rarefied gas theory; inverse problem; Chebyshev’s problem
