

Gölgeleyen, Fikret; Yamamoto, Masahiro

Uniqueness of solution of an inverse source problem for ultrahyperbolic equations. (English)

Zbl 1446.45010

Inverse Probl. 36, No. 3, Article ID 035008, 17 p. (2020).

MSC:

45K05 Integro-partial differential equations

35L82 Pseudohyperbolic equations

Cited in 1 Document

Keywords:

inverse problem; ultrahyperbolic equation; uniqueness of solution
