

Abounouh, M.; Al-Moatassime, H.; Kaouri, S.

Novel transparent boundary conditions for the regularized long wave equation. (English)

Zbl 07205476

Int. J. Comput. Methods 17, No. 6, Article ID 1950021, 26 p. (2020)

MSC:

65-XX Numerical analysis

76-XX Fluid mechanics

Keywords:

regularized long wave equation; BBM equation; transparent boundary conditions; finite difference method; solitary waves

Full Text: DOI
