

Prakash, R.; Hrizi, M.; Novotny, A. A.

A noniterative reconstruction method for solving a time-fractional inverse source problem from partial boundary measurements. (English) Zbl 1479.35955

Inverse Probl. 38, No. 1, Article ID 015002, 27 p. (2022).

MSC:

35R30 Inverse problems for PDEs

35K20 Initial-boundary value problems for second-order parabolic equations

35R11 Fractional partial differential equations

Keywords:

time-fractional diffusion equation; Kohn-Vogelius formulation; topological derivative method
