

Georgiou, Georgios C.; Crochet, Marcel J.

The simultaneous use of 4×4 and 2×2 bilinear stress elements for viscoelastic flows. (English)

Zbl 0775.76094

Comput. Mech. 11, No. 5-6, 341-354 (1993).

MSC:

76M10 Finite element methods applied to problems in fluid mechanics

76A10 Viscoelastic fluids

Full Text: DOI

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
