

Chaturani, P.; Narasimman, S.

Numerical solution of a micropolar fluid flow between two rotating coaxial disks. (English)

Zbl 0825.76033

Acta Mech. 89, No. 1-4, 133-145 (1991).

MSC:

76A05 Non-Newtonian fluids

76U05 General theory of rotating fluids

Full Text: [DOI](#)
