Fan, Hongyi; Fan, Yue

Some new relations between target state and quantum teleported state gained by virtue of the $|\eta\rangle$ representation. (English) Zbl 1079.81503

MSC:
81P15 Quantum measurement theory, state operations, state preparations
81R30 Coherent states

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
