

Kim, Gwang Hui

On the stability of functional equations on a square-symmetric groupoid. (English)

Zbl 1224.39045

Nonlinear Anal., Theory Methods Appl., Ser. A, Theory Methods 63, No. 5-7, e2559-e2568 (2005).

MSC:

- 39B82 Stability, separation, extension, and related topics for functional equations
- 39B52 Functional equations for functions with more general domains and/or ranges
- 20L05 Groupoids (i.e. small categories in which all morphisms are isomorphisms)

Keywords:

functional equations; square-symmetric groupoid
