

Sheng, Linxue; Zhu, Yuanguo

Optimistic value model of uncertain optimal control. (English) Zbl 1322.93064

Int. J. Uncertain. Fuzziness Knowl.-Based Syst. 21, Suppl. 1, 75-87 (2013).

MSC:

93C42 Fuzzy control/observation systems

91G10 Portfolio theory

93E20 Optimal stochastic control

Cited in **19** Documents

Keywords:

optimal control; uncertainty; optimistic value; principle of optimality; equation of optimality; portfolio selection

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
