

Fröb, Markus B.; Lima, William C. C.

Propagators for gauge-invariant observables in cosmology. (English) Zbl 1391.83140

Classical Quantum Gravity 35, No. 9, Article ID 095010, 34 p. (2018).

MSC:

83F05 Relativistic cosmology

85A40 Astrophysical cosmology

83C45 Quantization of the gravitational field

81T15 Perturbative methods of renormalization applied to problems in quantum field theory

Cited in 3 Documents

Keywords:

perturbative quantum gravity; relational observables; propagators; slow-roll inflation

Full Text: [DOI](#)
